

School Based Health Centers Presents...

a program of *Family Centers*

Talking to your teen about their development and making healthy choices doesn't have to be an uncomfortable conversation.

Family Centers therapist Leslie Sexer, LCSW joins the School Based Health Centers' Jill Goldberg, APRN and Stephanie Nathanson, LCSW to provide parents with tips on how to begin this important conversation, what to say to your teen and how to incorporate your family's values.

**Wednesday, May 12 at 6 p.m.
Dolan Middle School
51 Toms Road, Stamford**

All Parents with middle school-aged children welcome!

Light refreshments will be served. Childcare Available

**RSVP to Diane Troy at 203-977-5155
or email dtroy@ci.stamford.ct.us**

Co-Sponsored by 21st Century Community Learning Centers, the Dolan Parent Faculty Organization and the Office of Family & Community Engagement
